

Exams at the Knole Development Centre

Knole Development Centre offers a safe, quiet and contained space for students taking their exams, whether they have been pre-planned at their community school and transferred over, or entered whilst being an inpatient. GCSEs, Functional Skills and A-Levels are all offered and available for our students to gain the relevant qualifications.

NCFE are a national awarding organisation and offer various qualifications and awards. At Knole Development Centre we use NCFE to focus on Functional Skills English and Maths, Entry Level 1 to Level 2.

NCFE is very effective for our setting as there are so many obstacles that can get in the way of students sitting exams. After entry NCFE offer a window of 42 days for online exams to be sat. This is really reassuring for our students as they can sit their online exam at any time within this time frame. Students' mental health, appointments and discharges can all have an effect on their ability to sit exams on set days hence NCFE suiting our setting so well.

If you have any questions about examinations please contact Keyleigh Eastwood - Examinations and Attendance Officer – keyleigheastwood@cygnethealth.co.uk.
